REPAIRING THE BREACHES

Repairing The Breaches

Hello Saints of THE LORD. THE LORD expounded upon **2 Kings 12:5** to me regarding someone in my family who is currently in bondage. This occurred on 8/2/2024 where I wrote it on my phone in detail but now I am writing it out. I pray that you would allow FATHER to open the eyes of your understanding so that you could receive this truth.

Repair The Breach

2 Kings 12:5: “Let the priests take it to them, every man of his acquaintance: and let them repair the breaches of the house, wheresoever any breach shall be found.”

This verse was about how the priests of THE LORD were assigned to repair the breaches in Solomon’s Temple. The word breaches in the Hebrew is the word *bedeq* [H919] which means a gap or leak (in a building or a ship). Therefore in **2 Kings 12:5**, the priests of THE LORD were assigned to fix/repair the gaps or leaks in the temple walls. They were told to repair every breach they could find. This breach repairing process was being done on a physical temple, but per the new testament scripture, we are taught the meaning of what the true temple is. The true temple is where the SPIRIT OF THE LORD dwells is our bodies (**John 2:21, 1 Corinthians 3:16-17, 1 Corinthians 6:19, 2 Corinthians 6:16**). Again, the priests in 2 Kings were working on a physical

temple, but the temple that is in need of repair due to breaches is people's body/soul/spirit.

Now the question is, how is a breach opened/caused within an individual?

Some individuals left THE LORD and are backslidden where the hedge of protection (**Job 1:1**) has now been removed because they are no longer living in GOD'S WILL. Then, you have others that do not want to know, or never knew THE LORD - Both are living in sin. Whatever the case may be, these types of individuals are not covered by THE LORD and in this state they are susceptible to being attacked or influenced by demons. These demonic spirits will attack a person in different parts of their lives. When demons attack someone they leave open wounds (Breaches) in that person's temple (Body - which houses their soul/spirit) through hurt, tragedy, etc. Through the pain/hurt the demons cause, they (demons) then are able to enter in those open wounds (Breaches) inside of that person. In other words, they attach themselves to that individual by reason of the open wounds (Breaches).

These demonic spirits DO NOT love you and they only seek to destroy as many people as they possibly can. This is why it behooves us to live HOLY in and through JESUS CHRIST OUR LORD. The scripture tells us that our adversary the devil, as a roaring lion, walketh about, seeking whom he may devour (**1 Peter 5:8**). The first part of

that verse says to “Be sober, Be vigilant”. Please Saints, keep your guard up and stay under your true covering, THE ALMIGHTY GOD CHRIST JESUS.

Now we have discussed how the breach is opened/caused within someone’s temple, but now it’s time to discuss how the breach is closed. Going back to the foundational verse of this teaching, the command was given to the priests to “Repair the Breaches”. The priests were told to repair the gap or leaks found in the physical temple (i.e. Our bodies). The word repair in the Hebrew is the word *hāzaq* (**H2388**) and it means to fasten upon, be strong, to seize, to bind, conquer, fix, cure, help repair, fortify, prevail, encourage, maintain. Do you see this Saints of GOD? Look at the words being used for the definition of repair. It’s as if it’s not speaking about a wall because you can’t *encourage* a physical temple nor can you *cure it*. You can’t bind up a wall but THE LORD can bind up and cast out a demon out of a person. We can’t seize a wall/temple but THE LORD can seize that demon inside a person and destroy them.

With all that being said, only by THE LORD JESUS’ HEALING AND REDEMPTIVE BLOOD being applied to those open wounds (Breaches) can they be closed (Repaired). That person through sincere repentance of their sins, going through the process of deliverance (i.e. demons being cast out and destroyed) and sanctification (Being filled with THE HOLY SPIRIT), THE LORD’S BLOOD will repair (close) the breaches (open wounds) in that person’s temple. Thus repairing the breaches in the temple.

Those of you reading this teaching walking in rebellion towards FATHER, please return to HIM. The scripture says “Let the wicked forsake his way, and the unrighteous man his thoughts: and let him return unto THE LORD, and HE will have mercy upon him; and to our GOD, for HE will abundantly pardon” (**Isaiah 55:7**). Those demons have afflicted you long enough and it’s time to allow THE LORD to do HIS mighty work for you. THE LORD will do everything in that definition of the word repair, but you have to come to HIM - because HE will not force HIMSELF on you. THE LORD will fasten upon you. THE LORD will cure you. THE LORD will fortify you with HIS SPIRIT. THE LORD will bind up and cast out those demons into destruction for you. THE LORD will encourage you. FATHER will set you free but you have to come to HIM willingly. So please allow FATHER to Repair the Breaches in your temple and HE is faithful to do it. Hear FATHER’S TRUTH AND RECEIVE IT! THE LORD IS OUR ALL IN ALL! (**1 Corinthians 15:28**).
